

## Gyubin Park

Department of IT Convergence and Application Engineering  
Pukyong National University  
4-Engineering Building AI .LAB 314 / 365, Sinseon-ro, Nam-gu, Busan, Republic of Korea  
[lizpark@gmail.com](mailto:lizpark@gmail.com)  
Cell Phone : +82-010-2808-5701

### PERSONAL DATA

---

- Birth: 1998/08/11 in Republic of Korea
- Github : <https://github.com/deschanel11>
- Language: First language Korean, Fluent in English
- “Never give up.”

### EDUCATION

---

Mar. 2017 ~ Present	<b>Pukyong National University</b> Bachelor of IT Convergence and Application Engineering <i>Cumulative GPA 3.74/4.5</i>	Busan, Korea
Mar. 2019 ~ Aug. 2019	<b>Prifysgol Bangor University</b> International Student Program, School of Computer Science	Wales, United Kingdom
Mar. 2014 ~ Feb. 2017	<b>Sam-Hyeon Girl's High School</b>	Jinju, Korea

### RESEARCH INTEREST

---

- **Computer Vision, Image processing, Machine Learning**
  - ✓ Researching Image to Music Algorithm (Sensory replacement project) with ETRI

### WORK EXPERIENCES

---

- **Undergraduate researcher** at *AI Lab, Pukyong National University* Sep. 2021 ~ Present
  - ✓ Research Image to Music Algorithm (Sensory replacement project) with ETRI
- **Intern** at *Control Lab at KAIST* Jul. 2021 ~ Aug. 2021
  - ✓ Studied Image Classification Networks and Object Detection with YOLO Algorithm

## PROJECT EXPERIENCES

---

- **Dementia Pre-checking Application with Teachable Machine**  
✓ <https://github.com/Soo-ss/capdi.git>
- **Image to Music Algorithm Research with ETRI**

## UNDERGRADUATE ACADEMIC ACTIVITY

---

- **CERT-IS, Information Security Society** Sep.2017 ~ Jun.2021

## AWARDS

---

- **Excellence Award in Department of IT Convergence and Application Engineering Computer S/W Contest 2020**

## SKILLS AND QUALIFICATIONS

---

- **Python, Pytorch, C/C++, Java Programming**

## LANGUAGE SKILLS

---

- **IELTS Overall 6.0** Jul.28.2018
- **TOEFL 88** Feb.08.2020

## REFERENCES

---
